PROFILE SUMMARY

My name is Parmar Riddhi. I am a front-end development. I am passionate about creating beautiful and efficient user interfaces using HTML, CSS, JavaScript, and React.js. I bring a unique perspective to my work, combining technical skills with a deep understanding of user needs. I have strong time management and communication skills, and I thrive in both collaborative environments and when working independently. I am a creative problem-solver, always eager to take on new challenges and continuously improve my skills.
